

Mathcamp 2010: Teacher Recommendation Letter

Name of student: _____

Name of recommender: _____

To the recommender:

The above-named student is applying to Canada/USA Mathcamp (<http://www.mathcamp.org>), an intensive summer program that introduces mathematically talented high-school students to the power and variety of advanced mathematics. Mathcamp receives applications from all over the world, and our admission process is extremely selective. We appreciate your help in evaluating this student's application.

The student has listed you as a teacher who knows him or her well. In your recommendation, please comment on the student's creativity, initiative, ability to work independently and with others, as well as his or her mathematical background and academic achievements. Do you feel that a program like Mathcamp is suitable for this student? Are there any special circumstances in the student's background that we should be aware of?

You recommendation can be submitted in any of the following ways:

- Online, at <http://www.mathcamp.org/recommendations> (preferred)
- By email, to admissions10@mathcamp.org (next best)
- By fax, to (888) 371-4159
- By mail, to Mathcamp 2010 Admissions, 129 Hancock St, Cambridge, MA 02139, USA
- By giving your letter to the student in a sealed envelope, with your signature across the seal.

In order for the student's application to be given full consideration, your recommendation must be received by **April 28, 2010**.

Thank you, once again, for your help in this process and for supporting talented students in mathematics!
